

Dear IH Club members:

6/30/09

Summer is in full swing!

We hope you've had a chance to get up to the club for swim or tennis and had a chance to enjoy our fabulous new facilities.

The toddler pool is now fully enclosed and open for business. Tennis courts have been addressed and are in top shape. Upper level bathroom finishes are complete for a spectacular look. An incredible new playset was installed and is already keeping our kids active and playing. Gas grills are available and a beautiful new stone charcoal grill should soon be completed, and, for those relaxing evenings, a gorgeous stone fire pit is ready for lounging, sing-a-longs and s'more making.

Additionally, Wi Fi is connected so you can take care of business from your summer office while kids enjoy themselves and in between your tennis matches.

With all of this work finished, TJ Ackermann completes his role as club president overseeing the renovations. David Devine now steps into this role.

### **Save the Dates!**

**July 4th** will be a special day at our pool. Grills will be serving hotdogs and burgers, a large tent will be on site for hosting fun kids activities and, of course, there will be lots of fun, silly, and only slightly competitive games....watch for details at the pool.....it will be a fun day you won't want to miss! Go to the Parade and come for a swim after!

**July 8 and 9**, Indian Hill Club will host the 7 Hills League swim championships. The Wahoo swimmers will be chasing their 4th consecutive 7 Hills League Championship win! We invite all members to stop up and watch what are sure to be some thrilling races. Our roster this year is almost 150 swimmers strong, so you are sure to know someone racing! Come up and cheer them on! Go WAHOOS!!!

We expect between 1200-1800 people through our club during this community wide event. To prepare, the Club will close at 2pm on July 7. **We will reopen for members on July 10**. We are looking for donations for our bake sale booth. We thank all members willing to support our club. Sign ups are at the club.

**August 22** is the date of the annual couples party and on **August 27** we will celebrate kids return to school with our annual ladies day lunch. More details will be forthcoming, posted at the club and on our new Web site, [www.ihclub.org](http://www.ihclub.org).

Wishing you sunny days and pleasant nights at IH Club!

Sincerely,

David Devine
